General

At JobPro Technology, we respect the need for your online privacy, so we protect any information that you may share with us, in an appropriate manner. Our practice with respect to the use of your information is set forth below. As a condition to your use of our services, you consent to the terms of the JobPro Technology Privacy Policy as it currently exists and may be updated from time to time.

Information We Collect and How We Use It

- **Personal Information-** During the Enrollment Process for creating a JobPro account, we request some basic information. You will also be asked to choose a unique username, which will be used solely for the purpose of providing access to your account. Your name and email address will be used to inform you regarding new services, releases, upcoming events, and changes in this privacy policy.
- **Account Usage Details-** Your Account Usage and detail items such as time, frequency, duration, and pattern of use, features used and the amount of storage used will be recorded by us, in order to facilitate your use and experience of our services and to help us provide you with the best possible service.
- **Contents of your Account-** We store and maintain files, documents, and other data stored in your account at a Class A Data Center in Charlotte, NC. In order to prevent loss of data due to errors or system failures, we back up your information daily. We assure you that the contents of your account will not be disclosed to anyone and will not be accessible to unauthorized employees of JobPro Technology, nor will we use the contents of your account for serving targeted advertisements.
- **Financial Information-** In case of services requiring payment, we request credit card or other payment account information, which will be used solely for processing payments. Your financial information will not be stored by us. Subject to your prior consent and where necessary for processing future payments, your financial information will be stored in encrypted form on secure servers of reputed Payment Gateway Service Provider.

Information Security

We adopt appropriate data collection, storage and processing practices and security measures, as well as physical security measures to protect against unauthorized access, alteration, disclosure or destruction of your Personal Information, user name, password, transaction information and data stored in your account. Access to your name and email address is restricted to our employees who need to know such information in connection with our services who are bound by confidentiality obligations.

Accessing, Updating, and Removing Personal Information

We provide users with access to their personally identifiable information. Users may correct, update, or remove any such personally identifiable information either through their account or by contacting JobPro Technology Customer Support Services at 704-584-4019.

Enforcement of Privacy Policy

We make every effort, including periodic reviews, to ensure that personal information provided by you is used in conformity with this privacy policy. If you have any concerns regarding our adherence to this policy or the manner in which personal information is used for the purpose of providing services, please contact JobPro Technology Customer Support Services at 704-584-4019. We will then contact you to address your concerns.
